## **FOREWORD**

Marching ahead with one more year SSSR, Tonk has come across a numbers and variety of activities to attain our mission and to fulfill our vision. In our approaches and interventions designed by the guiding principle, we are keeping in our mind i.e. research action and people's participation. We have sincerely tried our best to empower people to be able to contribute for the process of development.

On the occasion of presenting this Annual Report with great pleasures and pride I would like to express our sincere gratitude to all persons, well wishers, friends, Government and other Agencies who have contributed to us in form of support, guidance, Grant-in-Aid, suggestion, technical and non technical know-how. We are especially indebted to the people with whom we have worked during the year through different project or programme for their active support and co-operation during the project / programme implementation.

With these few words we invite you to visit our project/programme through this report and in person and to contribute generously.

**Sd/-**  
**Shivji Ram Yadav**  
**Secretary**

## ACTIVITIES IN DETAIL

SSSR undertakes activities in different field which can be categorized and described as:

### I. CHILD RIGHTS (EDUCATION)

#### I.1. **MARRIAGE: NO CHILD'S PLAY Project**

**Project Objectives- Young people are able to decide if and when to marry and pursue their SRHR in a supportive environment** 43 villages of Piploo, Tonk in Rajasthan (India)

**Outcome 1:** 10970 young people are better informed about SRHR including adverse effects of child marriage and Empowered to voice and their needs and right.

**Outcome 2:** Increased access to formal education for 600 girls at risk of and affected by child marriage.

**Outcome 3:** Increased access to economic opportunities for 439 girls at risk of and affected by child marriage, and their families.

**Outcome 4:** Increased access to child protection systems for 9670 girls at risk of and affected by child marriage.

**Outcome 5:** Increased utilization of SRHR services that are responsive to the needs of young people, particular girls at risk of, and affected by child marriage.

**Outcome 6:** Increased engagement and collective social action against child marriage and in support of adolescent ASRHR.

**Outcome 7:** Supportive rights-based legal and policy environment against child marriage.

#### **Key results achieved under project interventions:**

- 95 Adolescent Girls and Boys Discussion Groups for different age groups (10-14 years, 15-19, years and 10-19 years) have been formed in the community. 1421 girls and 285 boys are members of these groups.

- 124 Girls are trained as Discussion Leaders for LB Life Skill approach. Girls were successfully mobilized to go through this 5 day residential training programme.

- Selection and listing of 160 ABGs Discussion Leaders for cascading Lalita Babu Module of Life Skill Trainings.

18 SMC meeting have been organized in schools with SMC members and discussed purpose of SMC engagement under the project to reduction of girls' drop out & retention.

- List out all the events and category wise people reached through capacity Building such as adolescents, VPMC, VHSNC, NGO members etc. (list down Male/Female and Boys/Girls in different columns.
- Interacted with government officials at district level and shared project objective and proposed activities.

## 1.2. Elimination of Child labour from stone quarry

**Project Goal:** Creation of societies where child labour free societies.

**Project Overall Objective :** To strengthen structures, systems and mechanisms for improved and increased realization of protection rights of children engaged in stone quarry mining in district Bundi of Rajasthan.

KR-1: Protection structures at district, block and Panchayat and village level are strengthened to ensure rights of children engaged in stone quarry mining in the project area.

KR-2: Quality education for the out of school children in the stone quarry mining areas through strengthened government systems

KR-3: Improved sensitiveness & capacities of various stakeholders result in enforcement of the various laws/guidelines related to children in stone quarry mining.

KR-4: Vulnerable families are linked to social protection schemes

### **Achieve the results ;**

#### **1. Capacity building of child protection structures -DCPU, BLCPC, and PLCPC**

Under the ICPS<sup>1</sup> programme it is mandatory to establish child protection structure from Panchayat<sup>2</sup> to state level. As per JJ Act 2015 the

Snap of capacity building programme conducted for DCPU, BLCPC & PLCPC

government of Rajasthan appointed Child Welfare Committee (CWC) and Juvenile Justice board(JJB) in each district to monitor and support the children in need of care and Protection and children in conflict with Law.

## 2. Formation and capacity building of children's and parent groups

Fifty Children groups and fifty parents' groups one in each village were formed in all intervention village to provide a platform to the children to discuss their issues and raised their concern with the PLCPC. 50 capacity building programme has been conducted covering more than 733 children and 443 parents.

Snap of Samelan conducted for mine worker's group

Child Parliament Member Priyanka has awarded

## 3. Collective groups of mine worker from 50 villages- 4 round of samelan(convention )

Four round of Mine worker convention were organized including the PRI members covering 25 villages. The *sammelan* helped to sensitized the mine worker about the harms of child labour and suggest voluntary uphold engagement of their children in labour activities. They were also motivated to keep sending their children to school regularly. During the programme altogether 130 vulnerable families identified those were eligible for different social protection schemes.

## 4. Establishing and functioning of ECCD& learning Centre in project villages

Snap of ECCD & learning Center

Fifty ECCD cum learning centers established in the project area to provide day care and mainstreaming the children whose mother is working in stone quarries / related work. At present, around 1500 school drop-out identified in project intervention area. The age group of these children is (6-16) years. For running these ECCD & learning centers, altogether 60 participants (50 volunteers and 10 project staff) has been trained as a resource group for teaching children by using different pedagogy including songs, poem, learning material, using of TLM etc. Out of 1500 children, 250 children of different age

group have been re-enrolled in school and tracking by concern school teachers on regular basis.

### **5. Establishing library and reading corners in the learning Centre**

In each ECCD, a library cum reading corner has been setup for the children attending the center. Several sets of reading materials have been procured and keep there for children. These set of books and reading material also includes regular courses of different standards and based on the need of the children attending the center.

### **6. Training of SMC:**

More than 556 SMC members including teachers, AWW, Panchayat Secretary and parents has been oriented and capacitated in 50 SMC trainings programme in the project area. The training programme helped the SMC members to better understand about their role and responsibilities and encouraged them for their active participation in making their concern school functional. The following outcomes have been observed;

- ✓ The trained SMC members took action in mapping out of school children in their concern locality. Altogether 123 school dropout children have been re-enrolled in school.
- ✓ 3 New SMC has been constituted in three government school.
- ✓ Development of plan of action in 15 government school.

**Snap of SMC training conducted at the project area.**

### **7. Enrollment drive**

Enrollment drive has been conducted in collaboration with the 72 schools to motivate drop out children to re-join school. Due to these efforts, 382 out of school children have been re-enrolled in their respective school. They are now tracked and monitored by parents group, child protection committee at panchayat level and their respective school teachers

### **8. IEC on of education harms of child labour and importance**

IEC material has been developed around child rights and impact of its violation on children in the stone quarry context. Two separate posters have been Launch by District Collector, Bundi on building protective environment for children in stone quarry areas of Bundi district. These posters have been developed by partnership of District Administration, Education department and partner organization.

## **I.3. CHIDLIN PROGRAMME (This is also known as Child Helpline 1098)**

**Goal of the Project**

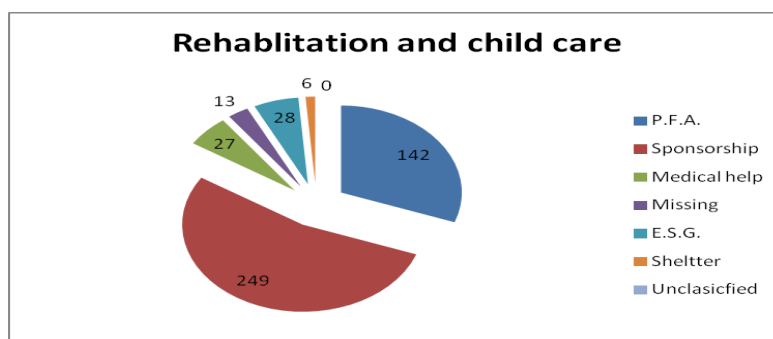

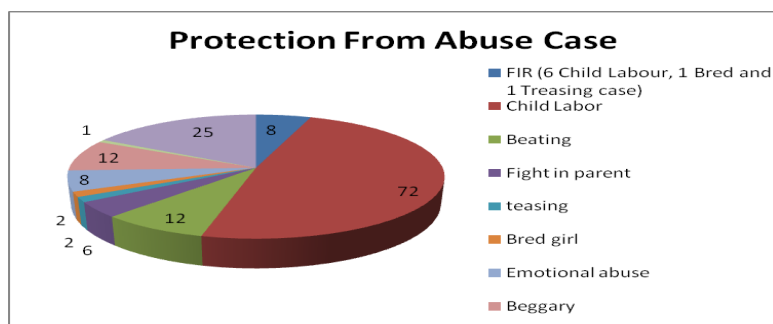

The creations of a child friendly nation where children are ensure of their rights and looked upon as contributing citizens of the nation.

**Target Group:-**Children in Need of Care and Protection (CNCP)

**Work Area:-**Tonk (District)

**Achievement :**

#### I.4. Elimination of child labour through education in talera block of Bundi district

**Goal of the Project:**

## **Creating enabling environment through education and community mobilization towards eradication of Child Labour in Bundi district of Rajasthan**

### **Strategies**

In order to eradicate child labour in the targeted geographical area, the project will primarily emphasis on education for all children in the school going age and community mobilization. This will be done through:

- Strengthening the existing mainstream education system and infrastructure in the community instead of starting parallel system, towards attaining greater sustainability.
- Strengthening other mainstream service providing institutions who contribute to the establishment of child rights, such as the Aganwadi centers and health centers etc.
- Running bridge centers for a limited time period to provide remedial/supplementary education
- Establishing Social Mobilizers, capacitating community women, developing local support groups to generate momentum for child rights and ensure sustainability for the intervention

### **Achievement so far:**

**2 days orientation for selected SMC members on preparing SDPs** - We has been organized 2 days SMC members training of Dabi, Rajpura, Ganeshpura, Gopalpura, Bhudhpura, lambakhoh Panchayat SMC members total 36 (5 Male and 31 female) members were participated the training. Before the training project team members were informed to all members before 3 days of training and personally contact him to all members. In during training welcome and introduction by field team of all participants and discussion about challenges and success like drop out, cobbal making low children presence at school, enrolment drive, open school exam etc.

**Advocacy meeting SMC Member meeting with Education Department:-** Interaction between school management committee members and block level education officers for raising their school level problem and solutions regarding the problems

### **Agenda of Activity**

- Registration and Introduction with all participants
- Brief sharing about project
- Sharing about their problems/ issues in their school
- Discussion about their role and responsibilities in school management
- Interaction with SMC members
- Discussion how to raise their issues at block and district level
- Feedback from participants

**Summer camp** - Summer camp was the major activity that was organised during this quarter in which. Various activities like khel se mel, poem, and games were organised with support of project staff. Every members and children were actively participating in this camp. In this camp 75% drop out children and 25% school going children were part of this camp.

This Camp was organised at 3 different levels by 2 panchayat so that children get an equal opportunity to express. Various group activities, were organised so that the children develop a friendly environment within their peer group so that they can comfortably adjust within schools and role play was organized by children. Total 350 children's were participated the summer camp.

**2 days orientation for Selected mata Samiti members on ICDS focus on ensuring their roles in AWC's** - During this period 21 Mata Samiti Meetings at 21 AWC were organized in which our Field Associates actively participated in this meeting and discuss the issues concerning of these members.

- Discussion on of pre- primary education
- Discussion on enrolment drive at AWC and school
- Pre-school education at AWC
- Enrolment of children in anganwadi centres
- Importance of supplementary food

- Immunization
- Search new AWW candidate for Dasaliya AWC

### Action taken by Mata Samiti

Land donated by Smt. Kamlesh Devi Ward members other mata samite members say to Kamleshdevi handover lan to GP in written on stamp paper.

Kamleshdevi say about regular monitoring of AWC time, nutrition and children presence at AWC on daily basis by each members and present their progress in next meeting.

Discussion on preparation of beneficiary due list for immunization.

AWC present children enrolment in every meetings.

### Learnings :

Most of matasamiti members involve in labour work in mining area so they will effective role in awareness in community mobilization on elimination of child labour

### 1.1 Grading of ICDS Center in Matrix pie chart -

As per MIS data 9 AWC get score 75 to 100 grade -1, 11 AWC get score 50 to 74 grad-1 AWC get score 25 to 49.

In previous quarter this score was 3 AWC in Grade-1, 15 AWC in grade 2, and 2 AWC in Grade-3 1 AWC closed by CDPO due to overage of AWW

### 1.2. Government School Grading by SMC member support :

As per CMIS status all 21 schools have functional 9 Schools in Grade-1, 11 school in Grade-2 and 1 schools in grade -3. In previous quarter this status was All 21 school have function 2 School in Grade-1, 11 school in Grade-2 and 7 schools in grade -3.

## I.5. Girls Not Bride Project

### Programme Goal-

The Goal is to initiate **10 Model Gram Panchayat** (approx. 53 villages) in Tonk District with complete elimination of child marriages in these villages with an impact in the neighbouring villages and the district.

### Objectives-

- ✚ To prevent child marriage and reduce its incidence in target areas.
- ✚ To enhanced skill building for girl child through various skills based courses.
- ✚ To ensure full enrollment and retention of girl child in higher education through vehicle support.
- ✚ To provide quality in education through engagement of trained teacher.
- ✚ To develop demonstrable and replicable models that would help in promoting behavioural change amongst communities and in particular- opinion leaders.
- ✚ To influence social attitudes and perceptions around girls and their roles in society.

### Project Strategy

The strategy will be multipronged, and will build of SSSR's experience of working in the areas of child marriage and education. The work in Tonk will demonstrate strategies to ensure that the protection and education rights of girl child are realized as well as focus on strengthening the existing systems that are available for ensuring protection and education rights of the girl child. At the same time this opportunity will be utilized to advocate at the state level to improve the enforcement of the various Acts so as to ensure that the children in these areas have the opportunity to be protected and learn.

### Major Achievement :

S. No	Activity	Target	Achievement
1	Life Skill Training		30 Girls
2	Sewing Training		16 Girls
3	Computer Training		16 Girls
4	Transportation support for girl child	26 Cycle	26 Cycle

6	Communication Program for awareness raising	10 Village	10 Village
7	IEC on of education harms of child marriage and importance	700 Books	700 Books

skill Building Training on Sewing Training Samapan

skill Building Training on computer

## II.HEALTH

Women and adolescent health is one of the major factors responsible for an underdeveloped society. Today's Adolescent will become mother in future and so, we need to ensure their health and aware them about reproductive and sexual health for ensuring the health of upcoming generation. Due to their marginalized role in the socio-economic process development of the

society is depriving them from just and active contribution .SSSR undertakes and implements different projects / programmes for ensuring the health of adolescent and women to be a contributing member in the process of development. With the said objective we undertake the following projects:

## To Reduce IMR & MMR through Maternal and child services within community

### The specific objectives of the Project are

- ✓ To provide health center so that beneficiaries can utilize medical facilities at cheaper rate and quality services. This center will also involve in delivering different health services.
- ✓ Preparation of VHW and effective organizational staff
- ✓ Awareness among adolescent girls about child and maternal health care.
- ✓ To provide information about government health schemes.
- ✓ To create awareness about safe motherhood so that maternal & infant mortality can be reduce.

### STRATEGY OF THE CAMPAIGN

- ✗ Follow up of the reach out of direct Change Makers.
- ✗ Presentation of local case study during the event.
- ✗ Rally & wall painting.
- ✗ Alliance building process.
- ✗ Involvement of Govt. officials, Village level health service provider, CBOs, SHGs.
- ✗ Participation in the meeting/review programme of AWWs/ASHAs to spread message.
- ✗ Distribution of leaflet & display of poster at different important location.
- ✗ Discussion on domestic violence & its prevention in other meetings/programmes of organization.

### ACTIVITIES UNDERTAKEN

- 👉 Regular mobilization of Mobile Medical Services in field
- 👉 Awareness raising for 100 % institutional delivery
- 👉 Focusing on awareness raising on 100% immunization
- 👉 Focusing on the 100% ANC and PNC and the benefit of ANC and PNC

During the meeting of VDC and SHGs in Juvad village, it has been decided to organized farmer fair in this year at Juvad village and every one were agree to support for organizing farmer fair. Horticulture department were participated in farmer fair and provided productive information related to gardening, agriculture, and govt. Schemes, vegetables varieties, animal husbandry, sharing of farmers best practices. Government officials were also shared their knowledge and experience through open discussion with VDC members and farmers.

### **Output-**

- 100, farmers from project village were aware on agriculture and horticulture technique.
- Farmers aware on different schemes and financial assistant running through agriculture department, horticulture department.

**Agriculture benefits-** Village Development Committee and SHGs of project villages has been advocate with agriculture department and provided crushing machine-7, farmers for irrigation support to 7, farmers and also provided financial assistant with range of Rs. 1450/ to 10150/-.

**Financial assistant for pipe** - With the support of village development committee and SHGs of project villages-Juvad, Jinapur, and Shyopur, 7 farmers have received benefits of Rs. 69250 for purchasing of pipe for agriculture work.

## **III.2. PAAYAS MILK PRODUCER AWARENESS PROGRAM**

Paayas Milk Producer Company is carrying out the business of pooling, Purchasing, Processing of milk of its members and marketing of the same in Rajasthan. Milk producers of the rural areas of Rajasthan are its members. The MPC is having a large membership base. Members of the company and other producers in villages who may consider becoming member need to know various activities of the MPC and their roles and responsibility as a member. Therefore, awareness programmes to be conducted at every village where MPP is functional.

To fulfill these objectives Shiv Shiksha Samiti have to impart following awareness/training programmes on:

1. Producer-member Awareness Programme
2. Awareness Programme for quality and Clean Milk Production
3. Awareness Programme for Women

Key training Outcomes:

1. Outcomes from “Producer member awareness programme”

- Producer Recognize the need to integrate his household milk business with that of Paayas MPC and accordingly Commit to Pour all surplus milk of his household to the MPC throughout the year, subscribe share capital in proportion to annual milk supply to the MPC, Supply quality milk to the MPC regularly and timely and avail the services of MPC and provide timely feedback to improve the services.

2. Outcome from “ Awareness programme for quality and clean milk production”

- Recognize the importance/ need of quality in milk and clean milk production.
- Explain the factors/ reasons affecting quality of milk (breeding and feeding).
- Livestock health management, basic human health and hygiene practice
- Commit to refrain from adding water in milk and explain the disadvantages of adding water, mixing carry over milk in fresh milk and colostrums milk with good milk.

3. Outcome from “ Awareness Programme for Women”

- Important role of women in animal husbandry and dairy industry.
- Economic Empowerment opportunities available in getting enrolled as members of the MPC.
- Need for their involvement in operation and governance of the MPC.
- Balancing dairy farming activities with reproductive and care responsibilities.
- Importance of self-care, health, hygiene and mutual support.

**Major Achievement –**

1. Clean milk Awareness program (CMP)- 19020 member trained in 05 District (Tonk, Jaipur, Sikar, Pali, Ajmer) Milk Ceiling Center Area.

2. Producer Awareness program (PAP)- 19020 member trained in 05 District (Tonk, Jaipur, Sikar, Pali, Ajmer) Milk Ceiling Center Area.
3. Women Awareness Program with 6340 Women in 05 District (Tonk, Jaipur, Sikar, Pali, Ajmer) Milk Ceiling Center Area.

### III.3. SAMWEDNA PROJECT

**Objective of Project:** Strengthening of labour, who migrate from Tonk block so that they can live their life with dignity after migration and before migration. They can do their work with full information and they can't do such work due to pressure and unemployment which harm their identity and capacity.

Project is functioning on two level, first one is source point, which is in tonk block of tonk district and second one is destination point , which is four destination points in Jaipur district.

Services provided in the source point:

1. Identity providing
2. Legal Education and Legal Support
3. Financial Literacy
4. Vocational Skill Training
5. Social Security linkages
6. Fundamental Services

Services provided in the destination point:

1. Identity providing
2. Legal Education and Legal Support
3. Financial Literacy
4. Vocational residential Skill Training
5. Social Security linkages
6. Fundamental Services
7. On Job Training to youths

**Achievement so far: Summarize Table (April 16 to June 16)**

Activities	Total
<b>Outreach</b>	
Footfalls	90
Campaigns/Special Outreach Events	03
<b>Registration</b>

## विदेशी मॉडल ने जानी बाल विवाह की स्थिति

पीपलू शिव शिक्षा समिति रानोली की ओर से बाल विवाह रोकथाम को लेकर चलाए जा रहे कार्यक्रम के तहत लंदन की मॉडल लोरा व फोटोग्राफर जिमी ने टोंक में किशोरियों

यादव ने बताया कि उनके साथ सेव द चिल्ड्रन जयपुर के लैंग्स के गत दिनों ज मण्डी में ही

पीपलू, बाल विवाह रोकथाम वाली बालिकाओं से मिलती लंदन की मॉडल लोरा।

### बाल विवाह रोकने के लिए हो रहे प्रयासों से हुई रूबरू

पीपलू शिव शिक्षा समिति रानोली द्वारा बाल विवाह रोकथाम को लेकर चलाए जा रहे कार्यक्रम के तहत बेगमपुरा गांव में लंदन की मॉडल लोरा व फोटोग्राफर जिमी ने किशोरियों से बाल विवाह की रोकथाम को लेकर किए जा रहे प्रयासों को जाना। समिति सचिव शिवजीराम यादव ने बताया कि मॉडल लोरा ने स्वयं का बाल विवाह रोकवाने वाली बालिका दिवस पर अलग-अलग मंचों पर रोशनी बैरवा, आशा गुर्जर, कैलाशी

गुर्जर व विश्व बाल शान्ति पुरस्कार के लिए नामांकित मधु गुर्जर से चर्चा की और जाना की कैसे उनका बाल विवाह होने वाला था व कैसे उन्होंने स्वयं व अन्य लड़कियों का बाल विवाह रोकवाया है। बाल विवाह रोकथाम व अन्य सामाजिक मुद्दों पर कार्य करने वाली बालिकाओं के स्टोरी को एकत्रित कर बालिका दिवस पर अलग-अलग मंचों पर दिखाया जाएगा।

करने हों। इस दौरान उपस्थित अधिकारी, जिला विधिक सेवा प्राधिकरण के पूर्णकार्यक सचिव विद्यानंद शुक्ला ने कहा कि सभी धार्मिक किशोर न्याय बोर्ड व बाल कल्याण समिति के सदस्यों, परिशिष्टा

## किशोरियों को मिलेगा स्वरोजगार का मौका

रानोली। शिव शिक्षा समिति रानोली व डालमिया मानव सेवा ट्रस्ट नई दिल्ली के संयुक्त तत्वावधान में ग्लोस नोट ब्राइड परियोजना के तहत रानोली के ओम

शान्ति भवन में 28 दिवसीय सिलाई प्रशिक्षण की शुरुआत हुई। जिसमें रानोली पंचायत क्षेत्र की 16 किशोरियों को प्रशिक्षण दिया जाएगा। सचिव शिवजीराम यादव ने बताया कि शिविर की शुरुआत सरपंच बाबूलाल मीणा, राजकीय उच्च माध्यमिक विद्यालय प्रधानाचार्य सांवर लाल सोनी ने की। प्रधानाचार्य सांवरलाल सोनी ने बताया कि स्थानीय किशोरियों को सिलाई प्रशिक्षण मिलने से उन्हें स्वरोजगार का अवसर मिलेगा। संस्था सचिव शिवजी राम यादव ने बताया कि आज युवा पीढ़ी के सामने बेरोजगारी मुख्य समस्या है। इस दौर में किशोरियों को प्रशिक्षित होना चाहिए। जिससे वह स्वरोजगार से जुड़ सकेंगे। सभी शिक्षित युवतियों को सरकारी नौकरी मिलना सम्भव नहीं है। इसलिए गैर सरकारी क्षेत्र में भी नौकरी के लिए दक्षता होना जरूरी है। परियोजना समन्वयक राजाराम गुर्जर ने बताया कि इस प्रशिक्षण में 17 से 24 आयु वर्ग की साक्षर युवतियों का चयन किया गया है। जिन्हें मास्टर ट्रेनर चन्द्रकान्ता शर्मा द्वारा सिलाई मशीन की जानकारी एवं खराबियों को समझना, शरीर की माप लेना, कपड़ों की कटिंग करना, लोडिंग कपड़ों को सिलाई करने की जानकारी दी जाएगी।

## **EVALUATION AND MONITORING**

All our activities under taken are monitored by a well defined supervisory network. Regular and effective check and inspection were done both at the field and centre level. Timely evaluation both internal and external was done to take maximum output of any project carried out and develop new strategies for implementation of future activities.

## **INFRASTRUCTURE**

We have the entire required infrastructure including 5 acre of land. Our office is well equipped with the necessary building for office work in 2<sup>nd</sup> floor at Kathmana village and also have lower floor trainings hall, head office admin senior project management unit and 10 bed hospital cum maternity center, training aids, furniture and fixtures with access to phone and internet.

Shiv Shiksha Sadan Senior Secondary school setup in organization self building at Ranoli, Piploo Road.

## **FUTURE PLANNING**

The organization has completed 27 years. SSSR'S Institute for Social Management in another institutional framework we are dreaming for, to have a college and polo technique institute setter in the process of development.

## **CONCLUSION**

Development parameters are dynamic. It is difficult but not impossible to convert concept in to action. The people associated with this organization always look forward for a convergence rather than to fallout. The activities undertaken or proposed to be undertaken are not the end. It is not even the beginning of the end. But it is the end of the beginning.
